

DIGITAL IMAGING COMPETITION 2008

www.Gadget3.com

Digital Imaging Competition took place at National Library Board on 19 September 2008 at 2pm. There are three categories under school, public and skin where the participants took part in. Under public and skin category, 10 entries are submitted each for Konica Minolta and Linksys respectively. Under school category, 20 entries are submitted for NEC projector. For each category, three winners have been selected based on creativity, concept and overall impressions by the judges from Konica Minolta, NEC, Linksys and PC Magazine editor.

Within 2 hours, results are tabulated and announced on the spot under Public Category Konica Minolta Prize Winners!
